

## Lecture Trips PREORDER LIST – 2022 / 03 / 11

- Plants from this list, and also from our website (<https://www.mirandaorchids.com>) have a 10% extra discount for the April lecture trips, besides our regular quantity discounts.

- Any preorders should be sent by email to [info@mirandaorchids.com](mailto:info@mirandaorchids.com) and plants will be pulled according to order received and availability. And as we have very limited quantities from several items, these preorders will be filled in a “first come first served” basis. This is why we are not accepting pre-payment, so orders will be delivered and should be paid for at the meetings.

- Thanks, and sorry for the short notice. In any case, other plants are going to be available for sale at the meetings.
